

るしやな島 in 海の家

【Rushana-tou in Umi no Ie】

Our café name, which means "Rushana Island in a Beach House", was created in the image of a legendary island where wishes come true. We serve food typically found at outdoor food stalls such as fried noodles made with thick noodles and our original angel-shaped satoriyaki (small cakes with various fillings). Anyone and everyone is welcome to come and enjoy our café.
